Nissan Forklift

Nissan Forklift Training Guelph - Nissan prides itself on attaining overall client satisfaction when their buyer is enjoying one of their various trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with resilient manufacturing principals, Nissan Forklifts offer many of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to sustain their worldwide forklift demands. Committed to providing consumer support, the company has four distinct production facilities that permit them to continually adapt to their clients continually evolving requirements by providing an assortment of progressive ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, manufacture, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using techniques and procedures that limit their environmental footprint. These high values remind clients that Nissan operates under the quality seal that their customers insist upon whilst being an environmentally responsive organization.

Nissan is fairly convinced that any of their customer's queries and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally endorsed dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
