

Genie Forklift

Genie Forklift Training Guelph - Genie Industries prides itself with the concept of lifting individuals and resources higher, extending beyond the products they design. A global company that is greatly allied to their customers and enjoys reflecting the spirit of relationship with everything they accomplish. Genie Industries strives to help clientele erect their business no matter how large or small the scale of operation may be.

The introduction of the Genie Hoist in 1996, a pneumatic, portable material lift initiated the beginning of Genie Industries. A series of aerial work platforms and other materials lift trucks followed to meet customer demand. These innovative goods secured universal acknowledgment and established state-of-the-art product design.

Genie Industries is at this time a subsidiary of Terex Corporation. Preserving foremost quality production and uncompromising service and support are among their highest priorities. With customers from Helsinki to Hong Kong and Denver to Dubai requesting the unique blue coloured lifts on the jobsite, the company is self-assuredly grounded in their exceptional customer service and values. Acknowledging that their consumers are their greatest inspiration, the team at Genie Industries are personally dedicated to offering expertise and maintaining customer rapport.

The reliable staff is dedicated to greener, more environmentally sensible options to advance the goods that customers want. Genie Industries focuses on "lean manufacturing" practices in order to help diminish waste while developing very high quality lift trucks in the shortest time period at the lowest feasible cost for the customer. The staff at Genie Industries is proud to serve the industry and this is reflected in every invention they design. Always welcoming customer input allows them to design and develop innovative new products that are effortless to service and handle, deliver optimum value-for-cost and meet worldwide standards. Thriving on client criticism allows Genie Industries to persistently evolve and satisfy the consumers' needs.
