Crane Training Schools Guelph

Crane Training Schools Guelph - Our different programs for Mobile Crane Operation are meant for experienced operators who needs re-certification or certification, and for inexperienced people who are searching for their very first job as an operator of a crane. Business demand for certified crane operators is high all around the nation. Crane operator positions are high because of their high pay. Crane operators are amongst the highest paid of whatever operator of heavy machinery.

Our Crane Training Schools include instruction and training for different mobile cranes. Course subject consists of Crane Set-up, Wire Rope, Lift Planning, Load Dynamics, Signaling, Load Charts and Rigging.

The Crane Training School program is suitable for supervisors, operators and riggers. Course materials consist of an informative and manual hand-outs. The safety manual which is illustrated features 100 to 250 pages, depending on the course, of helpful and essential material. Course materials include load exercises and load charts for the crane with which the individual training is working.

Hands-On Safety Training will take up more than half of the course curriculum. The practical training part is the most helpful method to developing and improving personal skill levels. Only experienced journeyman crane instructors are chosen to teach the courses. Our instructors have numerous years of experience in the industry.

Optional testing mechanisms are offered for all of our courses. Students will normally write tests both before and after training. A test for skills is generally administered for programs that consist of H.O.S.T. Trainees will be graded and tested.

We offer certified training programs for the following cranes: Lattice Boom/Crawler Cranes; Fixed and Swing Cab Mobile Hydraulic Cranes; Rigging / Signalperson Certification and Training; Articulated Boom / Knuckleboom Cranes; Certification & Testing; and In-The-Seat Training.
